

WRITING ASSIGNMENT #1: OBSERVATION

Write 1 prose paragraph describing (characterizing) ONE of the people in ONE of the videos linked. Describe them as if you were describing a snapshot of them in a particular place and moment in time.

ONLY DESCRIBE WHAT CAN BE SEEN and LIST at least THREE ACTIONS you observe this person taking that SHOW CHARACTER (e.g. offering a hand to a blind person, man-spreading their legs on the subway, whistling as they knit a scarf, smoking a cigar).

Write a 2nd paragraph that a need or an objective/goal the person/character may have and then describe what three things you could see “told” you that was their purpose.
